ALISON KNOWLES
Clear Skies
All Week

onestar press
Part One: Three categories

SITUATIONS
- Men and women commonly dress alike
- Small birds and flowers are ubiquitous
- Wealth is exposed for its family connections
- Work is not central to daily activity
- Democracy does not evolve on its own
- Pigs are allowed to roam free
- Visitors from other countries seem to be in the majority
- Children are often selected to be leaders
- Green is the color preferred by older women
- The underworld and the over-world never touch
- The hat most commonly worn is the beret flat or on the side of the head
- All sounds are considered interesting
- Things wet and sweet are a priority
- Only young women may stand in the rain
- Turning everything upside down is a common practice
- Old men gather in groups to discuss the weather
- All soldiers look alike
- Music and dancing takes place in the street at all hours
- Money is readily available but rarely used in transactions
- Daylight and nightfall come at unpredictable times
- Among friends names never change
- Every breath taken by all creatures is noted down by Father Time
- Whistling is allowed near water
- Very small items are automatically valuable
- Real information is everywhere available but of little interest
- Wilting flowers have the most intense color
- Artists compose a landscape from what they feel
- Indecision intimacy and imagination flow through the hand like cool water
WEATHER / TIME
- when storms are seen coming in
- with clear skies all week
- when torrential rain is expected by nightfall
- with fierce wind and bitter cold
- when snow blizzards are predicted

PLACE
- in a place with rocks and sand good for walking
- in France
- on an island paradise
- underground
- where deep shade is desired
- in a place where everyone plays outdoors
- over the hills and through the woods
Part Two: Poem Randomized in all Permutations.

Men and women commonly dress alike when storms are seen coming in on a peninsula with the ocean on one side and bay on the other

Men and women commonly dress alike when storms are seen coming in a place with rocks and sand good for walking

Men and women commonly dress alike when storms are seen coming in France

Men and women commonly dress alike when storms are seen coming in on an island paradise

Men and women commonly dress alike when storms are seen coming in underground

Men and women commonly dress alike when storms are seen coming in where deep shade is desired

Men and women commonly dress alike when storms are seen coming in a place where everyone plays outdoors

Men and women commonly dress alike when storms are seen coming in over the hills and through the woods

Men and women commonly dress alike with clear skies all week on a peninsula with the ocean on one side and bay on the other

Men and women commonly dress alike with clear skies all week in a place with rocks and sand good for walking

Men and women commonly dress alike with clear skies all week in France

Men and women commonly dress alike with clear skies all week on an island paradise

Men and women commonly dress alike with clear skies all week underground

Men and women commonly dress alike with clear skies all week where deep shade is desired

Men and women commonly dress alike with clear skies all week in a place where everyone plays outdoors

Men and women commonly dress alike with clear skies all week over the hills and through the woods

Men and women commonly dress alike when torrential rain is expected by nightfall on a peninsula with the ocean on one side and bay on the other

Men and women commonly dress alike when torrential rain is expected by nightfall in a place with rocks and sand good for walking

Men and women commonly dress alike when torrential rain is expected by nightfall in France
Men and women commonly dress alike when torrential rain is expected by nightfall on an island paradise

Men and women commonly dress alike when torrential rain is expected by nightfall underground

Men and women commonly dress alike when torrential rain is expected by nightfall where deep shade is desired
